TAKING VIAGRA FOR THE LATINA

Dear BIG BUTT: My name is Clarence and I'm in a shitty nursing home. My no-good grandson came to get me at the nursing home and I stole a BIG BUTT magazine from his glove compartment. He thinks I don't know that he likes the big girls but I do. I'm 91-years-old but I've been fucking fat pussy since I was 18 and I want more. That woman Hot Latina is the woman of my dreams. Back in '41 I knew a girl looked just like her named Marta and Marta loved cock and I gave her all the cock she could handle and then some. Back in those days, not many women would put dick in their mouth but she did and she loved to swallow cum. I miss Marta. I got some Viagra from this old fart Frankie Freeman my roommate (well, I stole it, he's not using it, the fool busted his hip last week) and fucked this fat chick Heidi down the hall, I forgot her last name. She tried to suck me off too and it was good for a while but her mouth got too juicy and the Polident kept slipping and

HARMONEY RANE

her teeth kept on falling out, so I just bent her fat ass over and gave it to her. It wasn't as good as Prudence, or was it Marta, back in '41 (or was it '42) but she had some good pussy for a 85-year-old.

"MY BUTT
QUIVERED
AND JIGGLED
WITH EVERY
THRUST AND
I MET HIM
STROKE FOR
STROKE."

By Daphnie D'Ass

Hey horny people, I bet you missed my sweet fat ass. I'm stopping through to catch up and drop juicy details about my last uninhibited panty-dropping adventure. As you can see, I'm riding a bike. I love the way the steel feels between my legs as I ride around my neighborhood or through the park. My fat ass can't be missed no matter where I go. Sometimes I wear tight shorts to emphasize my glorious booty and other times I wear a short skirt with panties that tease like crazy. Yes, I am a woman who loves being full-figured because wherever I go men want a piece of me.

Take for instance a few weeks ago. I was minding my own bees wax, riding through the trails of the local park, enjoying the breeze. I was about a mile off the main road when I got a flat tire. I could not believe that I would have to walk back home with the fuckin' bike because I lived five miles away! I sat in the dirt kicking my bike and cussing. "Fuckin' bullshit!" I exclaimed loudly to nobody. If a woman cusses in the park and if nobody is around to hear, do the trees still blush? Hell fuckin' no, they cuss with me! I was going off thinking of dirty words in a multitude of languages when a rider rolled down the hill and skidded to a stop next to me. Dust flew over my head and I coughed and cursed him out. The bike rider took off his helmet and said, "Sorry lady." I was about to tell him to fuck off, but damn, he was handsome. He looked me up and down and said, "Looks like you got a flat." I rolled my eyes, to which he laughed and jumped off his bike.

The biker extended his hand and said, "I'm Marcus." He looked at my tire and said, "Yeah, there is a nail in it." He asked if

I had a spare or air, to which I didn't. He said under his breath something about "women" and sat on the ground next to me. Marcus handed me a bottle of water and a handful of nuts that I was grateful for. For several minutes we just sat under the tree looking at the sky, not saying much. Finally Marcus said, "You are gorgeous and I would love to make a dream come true with your help." I was caught off guard because he did not seem to be the type who liked big women. Not one to let a good thing slip through my fingers I sat up on my knees and looked the biker in the eye. He was sincere and didn't have to tell me what his dream was about. I knew he needed a huge ass.

I pulled Marcus into my embrace, wrapped my legs around his waist and offered him a peach-flavored nipple to suckle. He was average height and a little on the slim side, yet fit into all the curves, folds and valleys of my large soft body with ease. "You love a big butt?" I asked in a sexy whisper. His response was to kiss my neck and maneuver me around so that my whopper-size booty was facing him. Marcus kissed around my waist and eased my shorts off with his teeth. I looked over my shoulder to see him staring, with a handful of stiff hard cock, ready for whatever went down. Marcus grabbed my hips and buried his face firmly between my fat asscheeks. I felt his nose savor my meaty flesh. I looked around the park and didn't see anyone and relaxed. I will admit to being an overheated woman who is always ready for a good screw and today was an exceptional day to get fucked, even if it was by a stranger. The heat between my chunky legs was spreading up to my pussy and I needed to take control. I shifted to my back and spread my legs, revealing silky curls and hefty vanilla cream thighs. The man stood up to stare down at my ample body. The smell of hot pussy mixed with the crisp spring air and created a new aphrodisiac that was toxic to our inflamed senses. He stroked his cock and quietly watched me strum my throbbing clit. I was a wanton slut stretched out butt-naked in the woods without a care in the world and wanted to fuck.

I beckoned the biker closer until his beef dangled over my mouth. The feel of his tool as it hit my tongue gave both of us an erotic rush. I wrapped my lips around his wiener and drew him farther inside my waiting warm mouth. I felt pre-cum drizzle over my lips and pushed the stranger until he fell to his back. Marcus looked up at me in angry shock, mad that his anticipated blowjob had abruptly ended. I straddled the biker and did a big woman's version of the bump-and-grind. I lowered myself slowly and ended up on his face. He didn't try to get away, but instead held tight to my waist and pulled my snatch close until he could wrap his lips around my clit. I rode his face, wild and uninhibited like a whore trying to get an extra five bucks from a John.

My new friend moaned and groaned as I continued to face-fuck him relentlessly. My body was close to orgasm and my toes began to curl as the intense feeling of desire started to flow. The biker's face was slick with my juices and sticky cream flowed over his chin. I slid down his body, giving him full range to fondle my tasty boobs. Not stopping, I sat up on his slim body, lifted my rear end and brought it back down completely and firmly on his cock. "Damn, it's sooooooooo fucking good!" Marcus said over and over. I bounced my full body up and down on my prize, enjoying the feel of cock inside my slippery walls.

Marcus was overwhelmed by pure womanhood. We fucked, that is the only word for it. We didn't make love or make out, we fucked! My thighs slapped against my new lover's thighs. My tits slapped against his face. Sweat became lube for pussy and cock, causing the scandalous screw in the woods to tip me over the edge. I clamped my pussy muscles around the cock, stuck up my twat and squeezed. "Ahhhhhhh!" I screamed in the air. I was cumming hard and slumped against the biker's chest, savoring the moment. Marcus struggled to get from under my big body for a minute, but when he got up my face was down and my ass sticking up in the air. He held onto my hips, leaned back and plunged full length into my cherry hole.

My butt quivered and jiggled with every thrust and I met him stroke for stroke, giving as good as I got. I could tell my partner was going to cum all over my fat ass and teased him with dirty sex talk. "That's right, baby, fuck me good," I purred. He didn't respond but picked up his pace. I could feel his balls slap against my thighs with every stroke of his thick probing drill. He reached around, grabbed hold of my milk jugs to steady himself, and continued to pound my snatch harder and harder, deeper and deeper. We matched each other as lust took over and strained for a finish. My flabby white booty wiggled and jiggled and you could definitely smell sex in the air. I was going to cum

again and started to wail, "Damn, you fuckin' me up, I'm going to cummmmm!" I tried to slump to the grass, but Marcus held me up and continued to pummel my tired pussy. I was blubbering incoherently as the climax hit me in the gut, snatch, back, boobs and all the way around my asshole. It was so powerful I wanted to faint. I could only whisper hoarsely, "That's it, muthafuckr, I'm fuckin' cummmmmmmming."

Marcus ignored me and sent a volley full of cock deep inside my pussy. He pulled out, then thrust, stroked and retreated. He slapped my ass and watched the wave of fat roll over his balls. The biker was no slacker and gave me more cock than I ever expected. I was sliding to the grass out of his grip, but he caught me by the waist and shot one last volley of cock into my pussy. Aftershocks went riot in my fat body as Marcus pulled out. "Ohhhhhhh shit, I'm cumminnnnnn!" the biker yelled. He shot hot creamy jizz into the air that landed in the trees before falling on my plump ass.

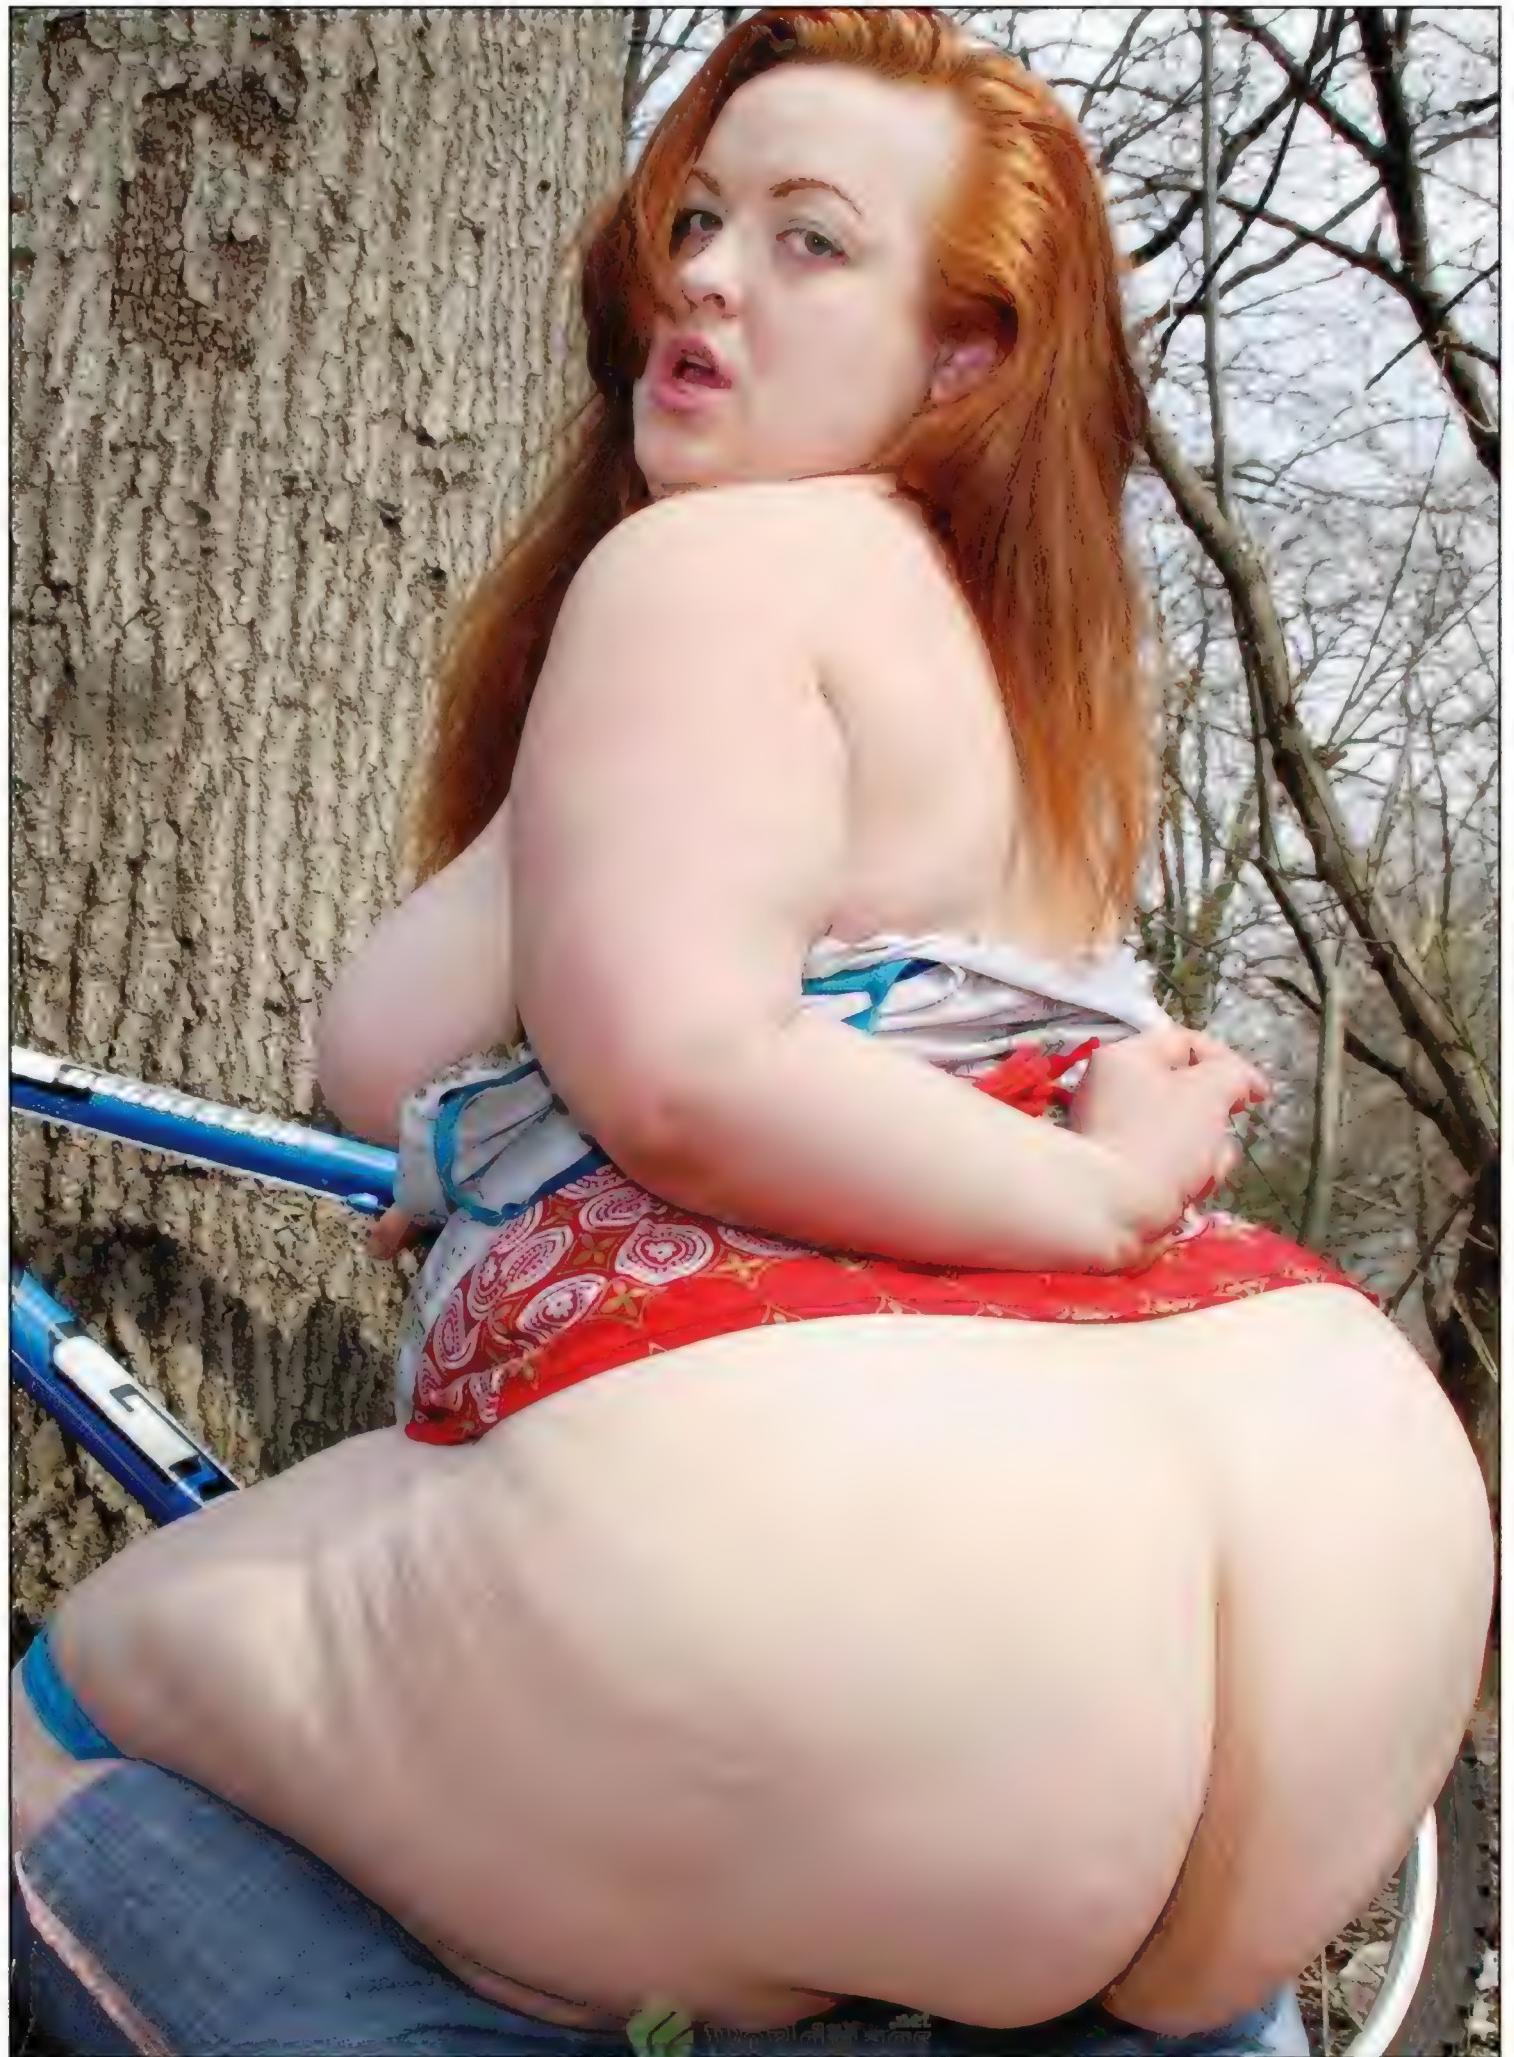

Marcus fell to the grass next to me and said, "If you give me another round of your good pussy I might fix your flat tire."

LULU BELL

"I LAY DOWN AND
SPREAD THESE
BIG OL' THIGHS
OPEN..."

By Donovan
Coxwell

BIG BUTT: So what do I call you? Lulu Belle? Lulu? Belle?

LULU BELLE: Lulu or Belle is fine, cher.

BB: Cher, love it, that accent is sexy! Where are you from?

LB: I'm a Southern girl from Louisiana, Coxwell.

BB: I've been there before, it's hot as hell down there.

LB: It's not too bad when you don't wear much clothes.

BB: You have a point there. So you walk around the city with everything hanging out, huh. I wouldn't complain if I saw that.

LB: Merci, Coxwell. Well, I'm from the bayou, we don't get into the city much. The town I'm from is real small, you know, and we don't have a lot to do but we make do, we have a whole lot of fun.

BB: I bet you do, a body like that is just made for fun. Speaking of that, your layout is tres hot. See, I know some French too.

LB: I see that. You just as sweet as my mama's beignets, you know that?

BB: I try baby, I try. So tell me, what do you all do for fun deep down in the bayou?

LB: Oh boo, we have big fun. You don't need to be in the city for that.

BB: Look at that smile. You're lighting up this whole

place with that devilish grin.

LB: I can't help it, you ask me about my fun, so I'm thinking about some fun times.

BB: What's your favorite thing to do for fun?

LB: Look at this body, cher, what do you think? I love to fuck. Can you think of something more fun than that?

BB: I sure can't. So tell me, what's the best bayou fuck you ever had?

LB: Okay, that's an easy one. Down in the bayou we got some guys, they hunt gators, you know. So there's this one hunter, ooooweee Coxwell, I wanted that boy so bad. Whenever I think about him I have to change my drawz. This one day I saw him heading out on his boat, so I asked him if I could come along. He was headin' out to look for a new gator huntin' spot and I knew this was my chance. I got in that boat and told that boy he wasn't going nowhere without me.

BB: That was an offer he couldn't refuse, huh?

LB: You better believe that, cher, especially after he got a look at these big boobs just bustin' out of this tiny l'il top I was wearin'.

BB: I wouldn't have argued with you either.

LB: So he started the boat and off we went. We was riding for a few miles and it was too hot for me, so I just started takin' off my clothes 'till I was butt-nekkid. His

eyes was fixin' to bug out his poor ol' head, he couldn't believe alla this was his for the takin'.

BB: What did he do?

LB: We was deep in the bayou by then, so he pulled over to the shore and we got out the boat. He had this ol' blanket and I spread it out and got on my knees in front of him. You ever eat crawfish, Coxwell, cher?

BB: Huh? What? You were just getting to the good part. What do you mean, crawfish? Sure I've had them.

LB: Where I'm from we have a way to eat them, we call it suck-da-head, squeeze-the-tip. Do you see what I mean now?

BB: I sure do.

LB: That boy didn't waste no time when he saw I was on my knees, nekkid, ready to suck his head and squeeze his tip. So he brought that ol' gator in his pants over to me and I set him free, I sure did. Lord, he got a beautiful big dick and I couldn't wait to put it in my mouth, but first I licked the whole thing like a big ol' lollipop and stroked it until it got so hard I thought he was gon' bust. Then I put that whole big thing in my mouth. There is nothing better than a big hard one all the way in your mouth.

BB: I bet he felt the same way too.

LB: He sure did but he wanted it somewhere else, so I lay down and spread these big ol' thighs open and that bayou boy stuck his cockhead in this sweet coochie and eased it all the way in. Lord, Coxwell, I thought it would come out my mouth, that boy was lifting my liver for

sure.

BB: Doesn't sound like you minded too much.

LB: You know it. I was making so much noise the birds was liftin' out the trees and flyin' away. I made even more noise when he put me on my hands and knees and threw that long thing of his up inside me from behind. It was even better when he grabbed my hair and pulled. I love that. The rougher the better.

BB: Sounds like the only thing getting hunted that day was your pussy.

LB: Funny you say that because when he pulled my hair I lifted my head up just in time to see a huge gator liftin' out the water.

BB: Holy crap! Did you say anything?

LB: Say anything? With that big cock inside me? All I could do was scream because I was cummin' all over it. Then he pulled that thing out and before I could say one word he put it down my throat and my instinct took over and I sucked that head and squeezed that tip until I got a bellyful of something way more delicious than crawfish.

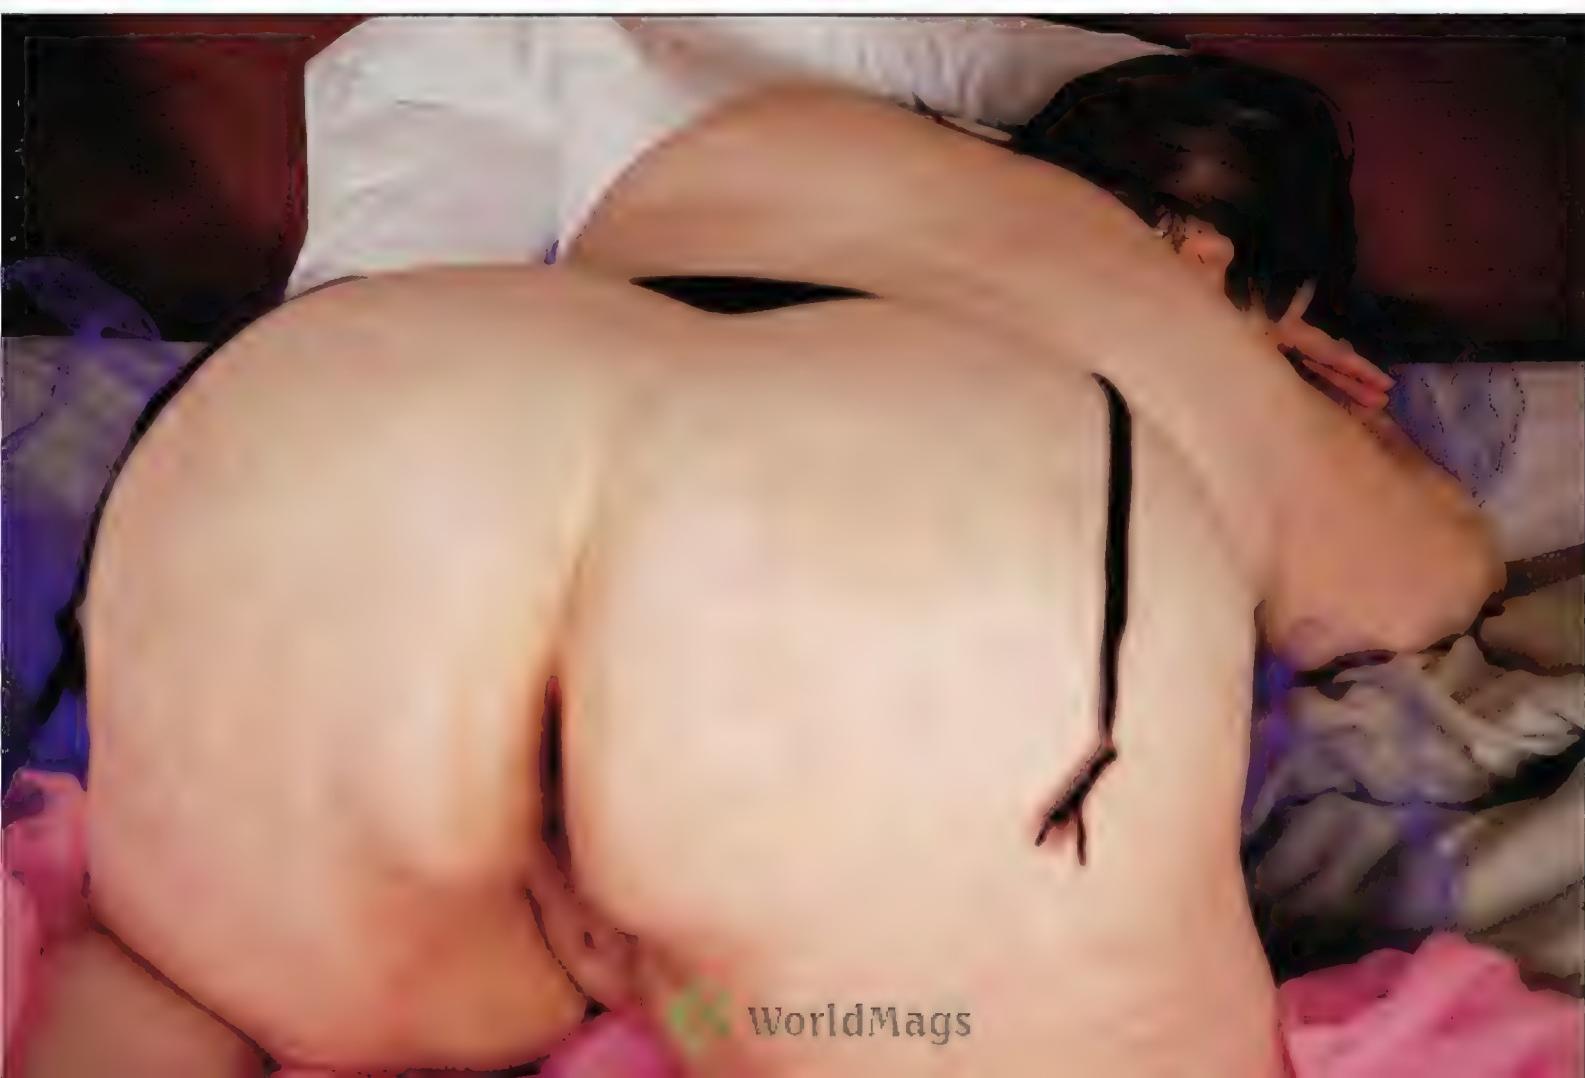

BB: Damn, so you were deep-throating a big dick while that huge alligator stalked you. Now that's some dedication to the dick right there.

LB: You know it! By the time I squeezed all the cum out that cock and turned 'round the gator was disappearin' under the water. I guess he just wanted to see the show.

BB: You know what, I don't blame him! It was nice to meet you, Belle. Tell the fellas where they can get at you.

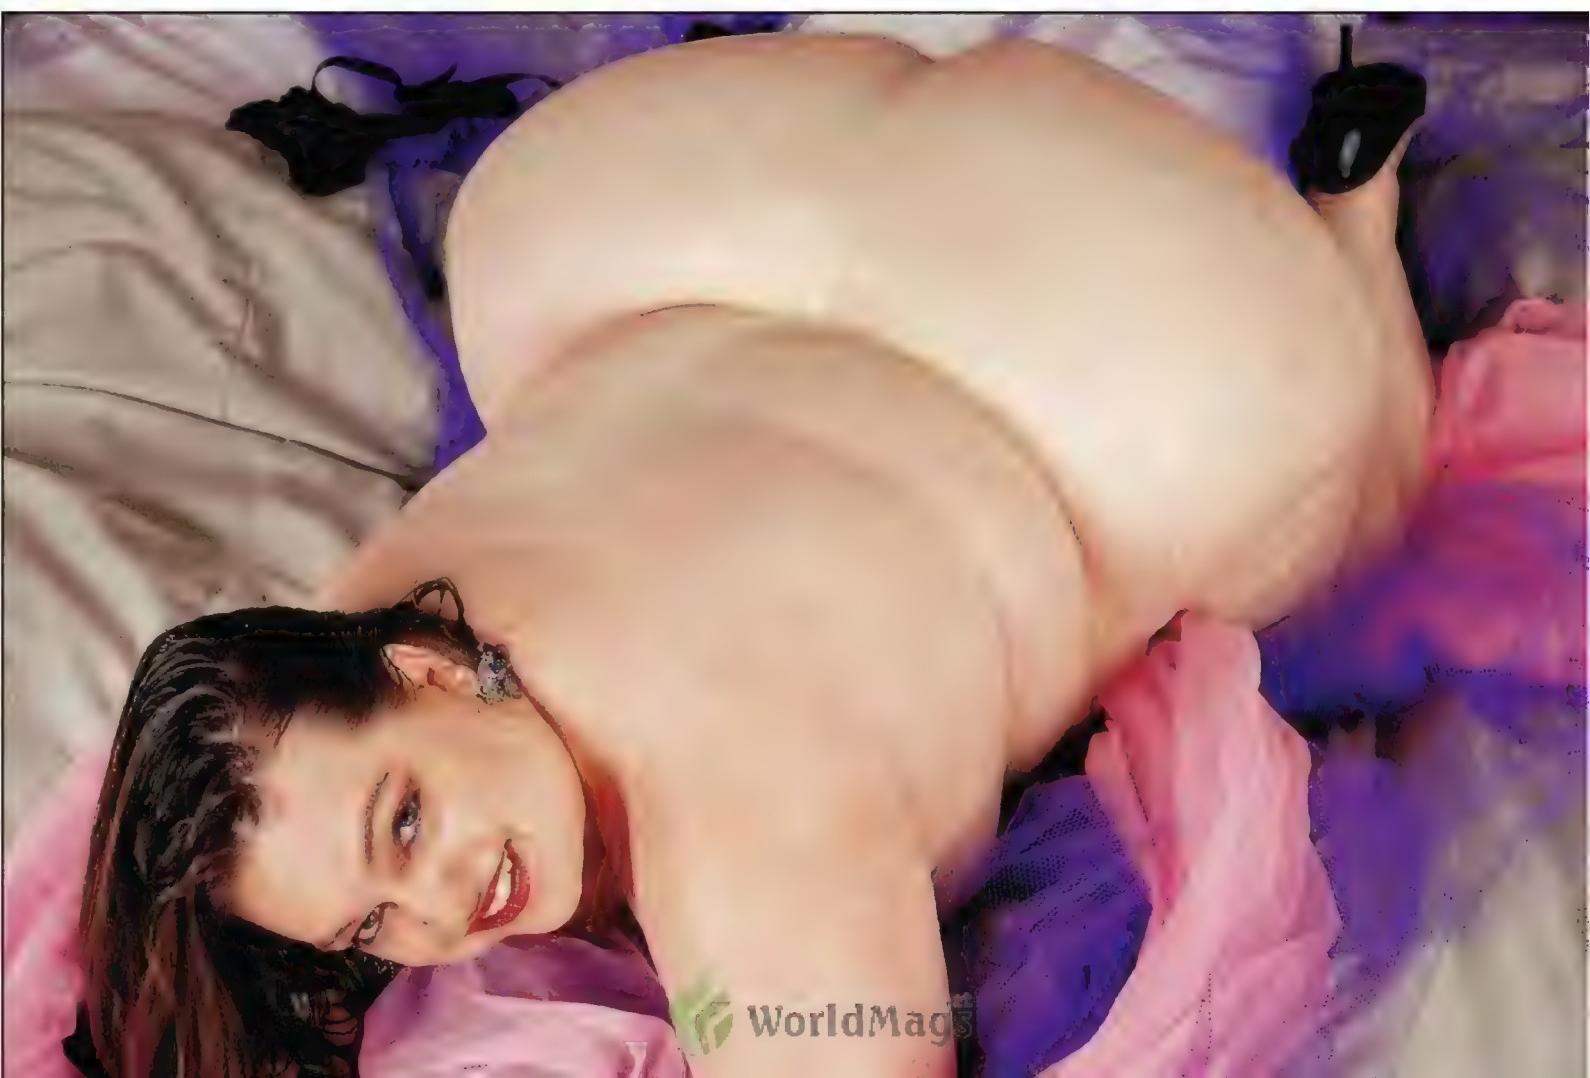

LB: Boys, y'all can write to be at BIG BUTT.

STORIES

PORN
STARS!**

**By Curvy
Nurse**

I was asked to head up this column for a few months and I am honored to share my dirty stories with you. I am a mature fat chick who has been around the yard a few times and I have much to tell. I am going to start with a night at the local watering hole. I love to eat, party, drink and fuck! Put them in whatever order you like, but make sure you keep "eat" first because that's what a big girl does. The bar in town that I frequent has a good kitchen with hot dogs, burgers and fries to go along with my whiskey. I keep it simple, whiskey and one ice cube. I can throw back three or four shots and get a light buzz. It might be all this creamy fat that keeps me from falling out drunk.

Last night a dude who was new in town bought me a drink and then another and then another. He was a good-looking fellow who seemed to be throwing back the shots with ease. He put some coins in the music box and held out his arms for a dance. I stumbled off the bar stool and fell into the man's arms. He laughed and tried to hold up my ample body but, come on, look at me. You need sturdy arms to hold this ass up! We slow-danced until the bartender announced closing time. I could not believe how much the new man in town turned me on and, not one to leave things unfinished, I asked if he needed a ride home. At this point my head was swim-

ming, but I heard him say, "Ms., you can call me Pete and I think you are the one who needs a lift home." I wasn't as drunk as he thought, but I learned long ago to let men think they are the smarter species. I'm going to cut to the chase and tell you that once we got to my front door it was a wrap. I asked Pete in for coffee, put the pot on and then went to change into something comfortable. When I came out of the bedroom wearing a short piece of nothing and a thong Pete jumped to his feet and stared at me. I did notice right away that the front of his pants was sticking out. He walked over, turned me around and pulled the thong over my gargantuan creamy white butt.

Pete looked me up and down and then wordlessly took off his clothes, watching me the entire time. The sexy dude was taking too much time getting to the pussy so I pushed him onto the sofa and straddled him. "Fuck me," I whispered. Pete reached up to fondle my heavy boobs and then rubbed his hands all over my fat body. I was a fat woman hungry for sex and this man thought I wanted foreplay when my pussy was dripping wet and pulsating with desire. Finally Pete spoke and said, "I love a big ass, can I see yours?" Oh okay, I thought, this is an ass man, no problem!

I sat up and turned around at the end of the sofa. Pete knelt behind me and stared. I thought he was

scared of my mountainous booty so to encourage him I wiggled my expansive butt at him. "What are you waiting for?" I asked. Pete was on me in an instant. I rocked my hips and pressed back into him. I ground my sweet fat ass against his big cock. Finally Pete took charge and said, "Spread your fat legs." I spread my legs and could feel the juices running down my colossal thighs. The new man in town slapped my humongous jiggly ass over and over until I warned him that playing with fire was dangerous! He laughed and began a slow assault on my butt. I was in heat and was impatient for the approaching cock. I wiggled my booty back firmly against his cock until he had no choice but to slip the tip into my tight cherry hole. My clit was throbbing with excitement and the anticipation of a stiff pole.

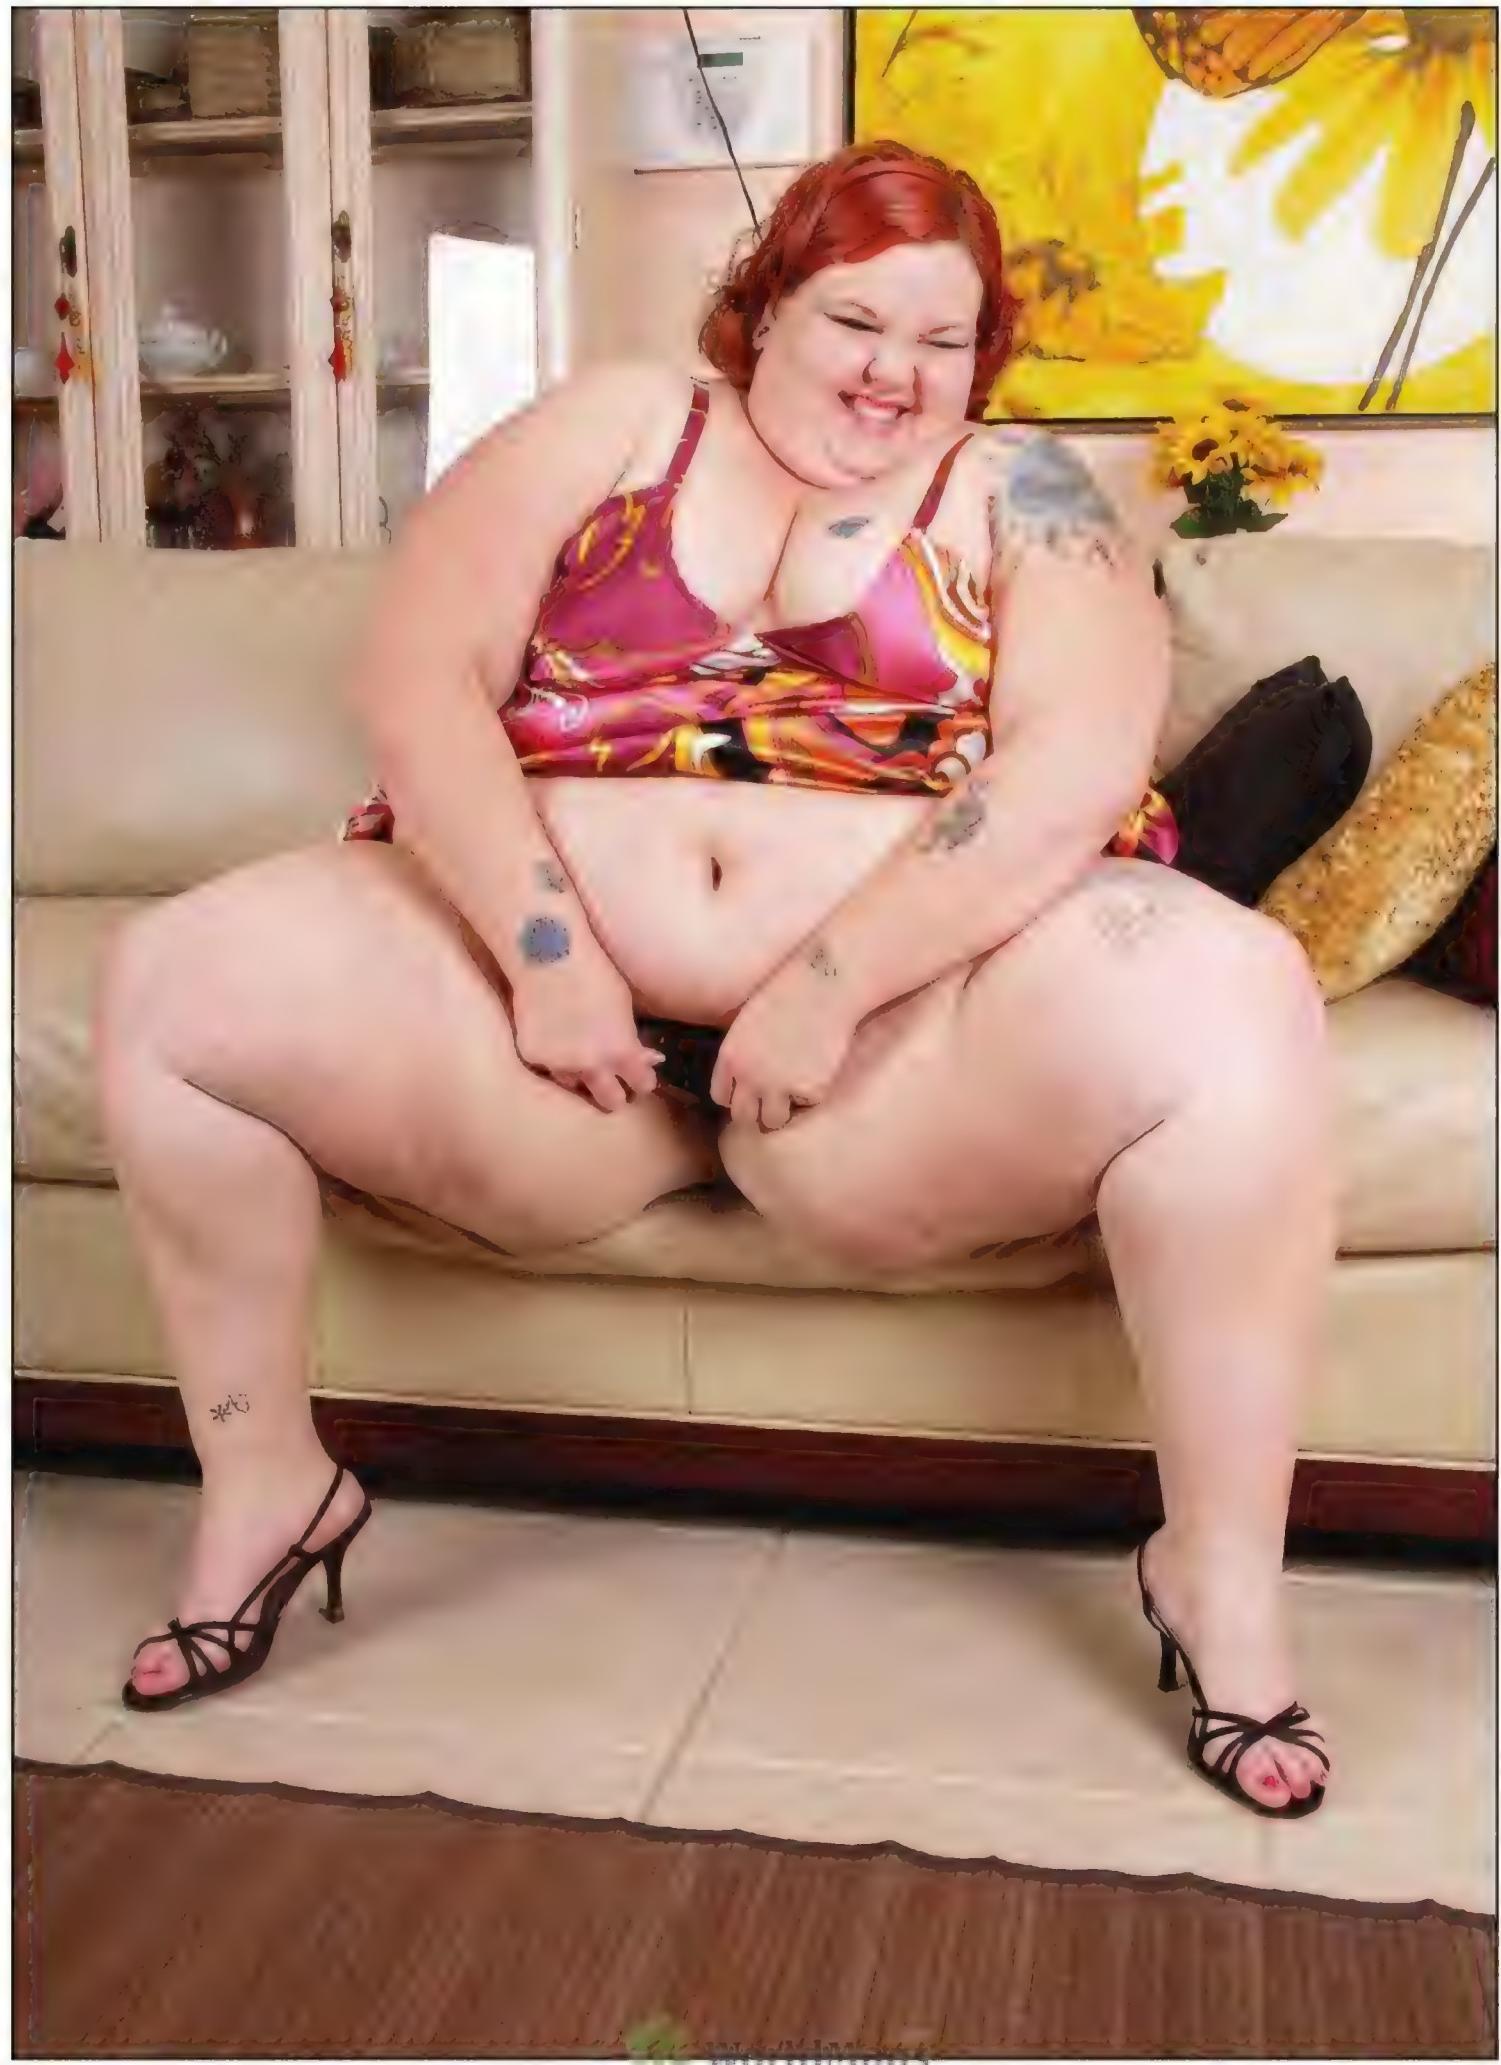

"Pete, can you handle all of this?" I asked. His answer was to plunge deep inside me. I was filled to capacity because Pete had a thick nine-inch cock that had to be at least six inches around. I took a deep breath and relaxed, enjoying the penetration. I arched my back to give Pete more butt and was rewarded with a deep plunge-and-retreat cock maneuver. Time after time the man slammed into me. I had turned into a mindless cunt, waiting for the next fill of cock. My pussy was drenched in juices, my breasts were swollen and my clit ached with need. This man knew how to tame major ass!

I could feel the pressure building up in his balls and started to milk him of every last drop of sack-juice. My mega-ass shook and jiggled like a volcano as we fucked hard and raw. "Ohhhhhh shit, I'm cummin'!" he yelled and pulled his cock out, shooting jizz down the crack of my butt.

Oh hell no, I thought, don't tell me this muthafuckr has left me hanging after just five minutes! I pushed Pete onto his back on the sofa and stood over him. He looked up at the hefty thighs about to sit on his face and almost passed out. I lowered myself over his face until I felt the stubble on his chin. "You want some pussy?" I purred. His answer was to grab my hips and pull me completely down on his mouth. Damn, I thought he didn't want me sitting on his face but to my amazement Pete held me down until he couldn't breathe. He would take licks and slurps under me for a few minutes and then come out for air. I humped the hell out of his tongue. My clit throbbed and my breasts were swollen. "Eat me, I'm fuckin' cummin'!" I moaned in passion. Pete held me tighter, taking me over the edge. I cried, "Damnnnnn and double-damn, I'm fuckin' cummin' down your throat!"

I don't think fat pussy was a bad welcome-to-the-town gift!

JF: I love being in front of a camera. I get so wet thinking guys are going to cum watching me.

BB: Your booty is really big. What are your measurements?

JF: I'm 5'5" and 310 lbs, 44DD-43-64 inches currently, and a proud size 26.

BB: Where are you from?

JF: I currently live in sunny Florida. I love the sun, I used to live up north but I was tired of feeling so darn cold!

BB: What is your favorite sex position?

JF: My favorite position is 69, nothing like having a man eat me out while I'm sucking him off.

BB: Where is your favorite place to have sex?

JF: I'm a comfort girl, so I prefer having sex in a bed so that I can do it all night and all day!

BB: Do you masturbate?

JF: Yes. There is something hot about being all alone and having myself. I pull out all kinds of toys and get my pussy wet.

BB: Do you like oral sex?

JF: I am a woman who loves to be pleased. I am not afraid to climb right on top of a man's face and ride it.

BB: Describe how to give a man head.

JF: When I give head I like to use my hands, and lips. I love the feel of cock as it slides down my throat and I always swallow.

BB: Are you addicted to sex?

JF: No, but I crave sex on a regular basis. My hormones are usually on overdrive and since I am currently single my vibrator comes in very handy.

BB: Are you dominant in bed and in real life?

JF: I would say I am a switch. I tend to be more domi-

nant than not these days. I like to be in charge and get my needs met. It turns me on to take control of the situation. I think a man can appreciate a woman who is strong and sexy.

BB: Well, it's time to wrap things up, Juicy, what do you think the future holds for you?

JF: Well, I feel like I am going to keep living to my fullest and enjoy every moment of it. I love modeling, so I will keep doing it as long as it stays fun for me. I am thrilled there are men out there like your readers who have the good taste and sense to know a woman with a nice fat rump is sexy!

BB: What would you like to say to all your new and returning fans?

JF: Write me at juicy@juicylettfatgrl.com and visit my site, www.juicylettfatgrl.com. Also, thank you to all the fans that have supported me over the years. I love you guys!

BB: Thanks again for sharing yourself with us!

PLATINUM PUSSY

**"I AM A SHOWOFF AND
LOVE TO EXPOSE MYSELF
FOR THE WORLD TO SEE."**

By Crème

BIG BUTT: Your layout was terrific.

PLATINUM PUSSY: I tried to show all angles of my over-loaded trunk.

BB: Those jeans you have on are really tight. Do you always dress like this?

PP: Always! I never walk out my front door unless the sex appeal is pouring over my curves.

BB: You look hot. Do men whistle or try to pick you up?

PP: Men love me and all of this fluffy ass.

BB: Are you submissive or dominant in the bedroom?

PP: I like to take control, but it depends on my mood. Sometimes I lay back and catch whatever my man throws at me. Other times I climb on top of the cock and ride.

BB: Why did you get into porn?

PP: I wanted to try something new and a friend told me about a dude looking for plus-sized women for his art class. When she said it paid 200 bucks a session I was already on the train downtown to his studio.

BB: How did that work out for you?

PP: It was boring as hell and my fat booty hurt sitting on a stool for two entire hours without a break. I decided if I can take my clothes off and not feel uncomfortable and make cash, then I can get cash doing something more risqué.

BB: So how did you get your first porn gig?

PP: My boyfriend had a bunch of old BIG BUTT maga-

zines hanging around the house. I looked through all of them, trying out the different poses for a while. Then I got a camera out and handed it to my man. He took a bunch of shots and sent them in. About a month later the editor called and set up the photo shoot. Here I am!

BB: Were you surprised to get such a quick call back?

PP: Not at all. I know what I'm working with and every man in my town loves this ass and dreams about fucking me one day, even though it won't ever happen.

BB: How do you feel performing on camera?

PP: I am a showoff and love to expose myself for the world to see. I have nothing to hide and love my body, and if other people love it that's even better.

BB: Do you get off watching porno movies?

PP: I like to watch porno with my sex partner and play tag.

BB: What do you mean?

PP: A nasty scene comes on and it gets you steamy between the thighs, so you tag your partner and he has to duplicate the act.

BB: That's sounds interesting. How often do you have sex?

PP: I'm a giving lover, so if you please me with words or touch we might fuck all night, every night all week long.

BB: That sounds like you are going to be a very tired woman. Do you consider yourself a sexaholic?

PP: YES! I love fucking and can't get enough of it.

BB: Do you masturbate?

PP: Every damn morning! That's the best way to start my day.

BB: Do you use your fingers or a toy?

PP: I whip out my silver bullet and pop it in the jelly jar.

BB: Woman, you sure have a way with words.

PP: I have a way with getting what I want!

BB: What do you want?

PP: A man with money who lets me sit on my fat ass doing nothing unless I want to.

BB: What do you want sexually?

PP: I want to go to sleep exhausted after freaky sex and wake up to hot nasty freaky sex.

BB: Thank you for talking to me today. What would you like to say to the readers as we wrap up?

PP: Write to BIG BUTT and tell them I am the best model in the entire magazine and ask for another layout of Platinum Pussy!

BIG BUTT: Damn woman, that dress looks good on you even though it is exceptionally short. Do you have panties on?

JADE: It's hot and sticky outside today and I'm sweaty, so yes, I have panties on. A woman needs something to catch the drippings.

BB: I heard you are dabbling into something new.

JADE: I am now a dominatrix

BB: How did that come about?

JADE: I think I was born this way. Men seem to find me and instinctively know that I am the mistress for them.

BB: What do you enjoy most about being a dominatrix?

JADE: I love the connection between me and my slaves. They allow me to escort them into worlds of fantasy. The responsibility is huge when they place themselves into your hands.

BB: Are you straight, lesbian, or bisexual?

JADE: I try to not get caught up in boundaries. They get in the way. I mean what if you decide to change, then you have to work with all the title nonsense. I am a very sensual and sexual person. I think it is best to call me open to experiences or, better yet, call me try-sexual. I will try almost everything sexual.

BB: Have you had sex with a female?

JADE: I guess my first female experience was with me and two of my girlfriends. We started playing Truth or Dare. I'm not even sure who brought up the idea, and

before I knew it I'm kissing one of them. It was so exciting and kinky that we just kept going. This wasn't the first time I had kissed a female but this was the first time I had ever felt anything from it. Her lips were so gentle and inviting. She started stroking my neck and my other girlfriend lifted my shirt and started sucking my nipples, and from there everyone started munching on pussy, tits, thighs and legs.

BB: Have you ever taken part in a threesome?

JADE: Me and two female friends—doesn't that count as a threesome?

BB: Let me reword that question. Have you ever had a threesome with two men or a man and woman at the same time?

JADE: Yes I have, but the man was impatient. He wanted his balls licked and cock sucked at the same time. He wanted me on his face and my girl on his cock. The greedy bastard got his rocks off and left us hanging. We kicked him out and pulled out the battery-operated strap-on dildo and fucked each other. I love men and I love fucking men, but some are lazy good-for-nothing bastards.

BB: Are you multi-orgasmic?

JADE: Yes, I can cum several times with the right stimulation. My clit is very sensitive, so eat me out and lick me from clit to slit and I'm going to blow a female load down your throat over and over again. Well, at least two or three times before I pass out.

BB: Describe your favorite fuck position.

JADE: Well, we would start in doggy-style. Then I would lie flat on my stomach with my man still inside the pussy. He would thrust and stab with his balls slapping against my entrance. It feels like a stab and a hug at the same time.

BB: Do you squirt?

JADE: Hell yeah! The first time it happened I thought it was pee but my partner started lapping up my love juice like crazy—it was all over his face and chest.

BB: Describe your most memorable orgasm.

JADE: My girl was sucking out my asshole, her boyfriend was fucking, and I had a vibrator stuck on my nipples. My head hurt so bad, the climax was so strong.

BB: Describe a fantasy.

JADE: I would love to fuck on a ship with the wind blowing in my face while two women are attached, one to each breast, a man on his knees eating my pussy, and another man deep in my ass fucking me. The thought is making me wet as we speak.

BB: I should have asked if you like cock up your ass.

JADE: I have learned to love the pain that turns into exquisite pleasure.

BB: Jade, you have been wonderful. Let's get out of this office and get some lunch.

JADE: Great. Can you make sure to tell the readers that they can contact me at jade38H.com or at BIG BUTT? I want lots and lots of dirty letters.

BB: It's a done deal.

SARAH BIG BUTT

"HER PUSSY WAS
IN MY FACE AND
HER LIPS ON MY
PUSSY."

By Powerbosom

BIG BUTT: Your name certainly fits you.

SARAH BIG BUTT: Thanks so much. I love compliments, so feel free to keep them coming.

BB: I know your website address is sarahbigbutt.de and I know it is doing great, but I read in your profile that you like to dance. Are you a professional dancer?

SBB: I'm currently in the process of looking for a nice place to pursue my exotic dancing.

BB: Well, I need to tell you there is no such thing as a nice strip club. You have gentlemen clubs, dives and hell holes—they are all the same. And there are men who want to touch you and hopefully get you in the back room for a quick fuck. Are you ready for that?

SBB: I may sound naïve, but stripping has always been something I want to do. I love the attention I get from men. For some reason it makes me horny to think of a room full of men lustng for me, the fat chick.

BB: Oh, so are you trying to prove something.

SBB: Yes, I'm trying to show the world that a big ass can make cocks stand straight up!

BB: I am surprised that you can pose nude on the internet, but was nervous about stripping in a club.

SBB: When I pose for my site it's only me and a photographer. Easy enough, but with lots of people I am a little nervous, but it's my dream.

BB: Have you danced in a club yet?

SBB: No, but I did a bachelor party! I was nervous, but I

put on some hot lingerie, high heels and moved my ass. I danced on the coffee table, kitchen table and sofa. I was grinding and twisting away. I got a lot of tips, so that must have meant I did good. I didn't like the fact that the men expected me to fuck them.

BB: Girl, men always want to fuck.

SBB: I know now.

BB: How do you like to fuck?

SBB: I'm too young to have done all the really wild and kinky stuff yet, but I like doggy-style. I also like when a man is aggressive and makes me bend over his knee so he can spank me and tell me I'm a bad girl.

BB: You said you were too young to get really kinky.

How old are you again?

SBB: I'm 25.

BB: How many sexual partners have you had?

SBB: Not that many, about 20 or a little less. I lost my virginity at 17 and dated the dude three years and was faithful to his dumb ass. I found out he had been cheating on me the entire time. I kicked him to the curb and wanted to find out if he had even been fucking me the right way. I got with one of his friends just to piss him off and then his cousin! I guess I have been screwing around a lot and it has been fun.

BB: You are young, so have as much fun as possible.

SBB: I found out that I also like girls.

BB: Tell me more.

SBB: I met this chick at a party. She is the one who hooked me up to dance at the bachelor party. Well, she was teaching me to dance and started rubbing up against my body. I got turned on and started to rub back. She kissed me full on the lips and stuck her tongue down my throat. The sensation was different than with a man and I didn't know what to do, so I just stood there and let her do whatever she wanted. We ended up on my mom's sofa in a 69. Her pussy was in my face and her lips on my pussy. I was lost and will always remember my first time with a woman because the climax was so long and strong. I get chills thinking about it right now.

BB: Are you still with her?

SBB: I branched out and started dating other women.

BB: Are you lesbian now?

SBB: Hell no, I love cock too much to give it up for pussy. I have gotten some experience over the last year and found myself in a threesome.

BB: Folks don't just find themselves stuck between two naked bodies.

SBB: I was over my girlfriend's house and she was making out with her man. I sort of started fooling around, making like I was a stripper, and her man pulled me down on the sofa with them. I ended up on top of my friend while her man fucked me from behind.

BB: He fucked you in the ass?

SBB: No, I ain't ready for cock up my ass, but he was deep in my pussy, stroking it real good.

BB: You are bisexual and you have been in a threesome, so what else have you gotten into?

SBB: I got fucked by five guys. I was playing pool and made a bet that I could shoot the 8 ball into the side pocket. I lost the bet. The men lined up and waited their turn to fuck me. I will be honest and say that was some deliriously good and dirty sex.

BB: Are you currently in a relationship?

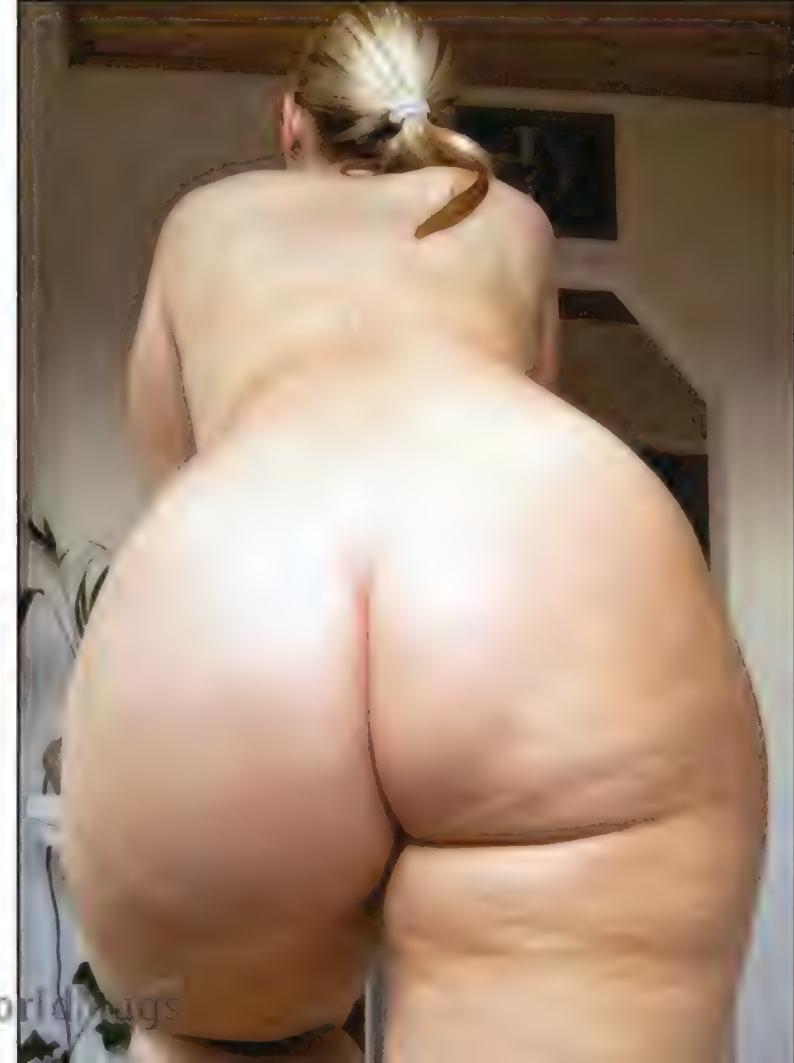

SBB: Unfortunately I'm not seeing anyone. It is very hard for me to choose whether I want to be with a man or a woman in a full monogamist relationship. I think I am just too damn greedy.

BB: Tell the readers something personal.

SBB: I live in Bavaria, Germany in a small village. I love romantic candle light dinners, creepy horror movies, reading, posing nude for fans, holidays in foreign countries, muscle cars and hard body real men! I also have a sweet tooth and I never bother to go on a diet.

BB: Thanks so much for taking the time for this interview. I really had a great time speaking with you.

SBB: This was fun. I hope everyone likes my layout and sends me tons of email. Plus, I want to find a nice boyfriend who likes sex as much as me. Write to BIG BUTT for me!

BIG PHAT VIDEOS

RUMP-HUMPING
EXPLICIT ADULT
VIDEOS!

By Powerbosom

Welcome to another edition of Big Phat Videos. I have been looking all over the World Wide Wanton Web, adult shops, sex conventions and of course social networking sites to bring you the best booty around. This time the beautiful super-sized woman came to me. She hit me up in an e-mail, asking if I was looking for new talent. I saw the photo and dialed her number immediately. I am about business so let me tell you Sexy Mae was on the plane headed to Jersey from California in less than a week. Her video and photo shoot was scandalous!

Video Site: bigblackvideo.com

Featuring: Sexy Mae

Title: *Super-size 3-Way Fucking!*

Rated: XXX

Sexy Mae walked into my video production company with a big smile on her face and said in a soft lady-like voice, "I am so happy to meet you, but where is my fuck partner?" I laughed and knew we would have a great weekend. Over

lunch I asked Mae a lot of questions. She was candid and answered honestly. I found out that she has been in about five flicks, but most of the scenes with her had hit the editing room floor. I looked at the confident woman sitting in front of me and exuding sexuality, and knew the other filmmakers didn't have vision. They could not see 420 pounds of fluffy fat goodness being a star performer. I knew instinctively that the compact 4-foot, 11-inch woman was going to be a super star!

After lunch we headed back to the studio and pulled out lingerie, looking for the right, smoldering, drop-dead sexy outfit. When the men arrived they both smiled at the same time. Sexy Mae was sitting on the bed with her legs crossed, showing an avalanche full of legs and thighs. Testosterone filled the room as the studs jockeyed for Mae's attention. One stud rubbed her back while the other massaged her feet. I left to make a phone call and when I came back Sexy Mae was booty-naked, walking around the room posing for the men. Both studs had a brick between their legs. I decided to find the video guy before cocks and pussy collided. I told the

men to take a cold shower and slow things down, but they were greedy for the fat woman in front of them. So I pulled out the camera and started to take random shots of Sexy Mae. The men drooled, watching her bend over, get on her knees, open her pussy wide, and overall tease the shit out of the porn studs.

Finally the video dude arrived. This was the first time I have ever seen the hired help actually help set up a production. They wanted to get to the fucking, so whatever it took to make that happen, they were game. Lights, camera, action! Sexy Mae is not shy and she loves sex! She can handle 12 inches of dick and even two dicks at the same time. Her flick Super-size 3-Way Fucking! is off-the-charts hot! Sexy Mae straddles a face and humps it until she cums. Unbelievable close-up screwing! Look at those massive thighs and imagine them on your face. Sexy Mae sucks two dicks at the same time. Then she gets fucked in the ass while sucking another dick. She bends over again and gets fucked while sitting on another face! This woman talks dirty, wails and screams her pleasure while greedily fucking every man in sight. On the sofa, on the bed, all over the room, fat

super-size Sexy Mae gives it up.

You will blow several loads of jizz on this flick, so be careful what you ask for if you can't handle a woman with humongous legs, thighs and juicy booty, because Sexy Mae will fuck you up!

I hope you whacked off really good with this month's presentation. I always have your best interest between my massive thighs. Don't forget that I review all kinds of flicks, and those featuring fat women with huge behinds get first preference. Help out all the butt-lovers who read this column and send me your list of favorites. Write to Ms. Powerbosom, P.O. Box 3092, Linden, NJ 07036.

E-mail me at powerbosom@aol.com or stop by my website, powerbosom.com and kiss my BIG BUTT.
